

ZHONGTIAN TECHNOLOGY SUBMARINE CABLE CO., LTD Statement on Environment Policy

Zhongtian Technology Submarine Cable Co., Ltd. (ZTT) is dedicated to environmental excellence, actively promoting and maintaining an Environment Management System across its international and domestic operations at all management levels.

ZTT commits to:

- Prioritizing environmental protection throughout all projects.
- Allocating necessary resources to ensure compliance with local, national, and international environmental regulations.
- Exercising careful planning to conserve resources and proactively prevent pollution, health, safety hazards, and risks at all levels.
- Promoting a sustainable business model with a focus on maintaining a balance between development and nature.
- Communicating the Environment policy to employees and making it available to interested parties upon request.

ZTT commitments include but not limited to the above.

This policy undergoes regular review and is consistently practiced by all ZTT employees and stakeholders.
